RE: 4:19-cr-041-A-(07)

Dear Court Clerk,

Enclosed you will find 1) A copy of the J and C that I received from the court, 2) a copy of the letter I recently wrote to Immigration and Custom Enforcements, and 3) a letter from the Clerk of Tarrant County stating that I sent the letter to the wrong Court House. As you will note that at the bottom of the J and C, Judge McBryde recommended that I be allowed to participate in the R.D.A.P. program, and if not, the B.O.P. was to notify the court with an explanation as to why not. I do not know if the Court was ever notified of my non-entry to the R.D.A.P. program. It is apparent that none of the staff was aware of the Judge's wishes as to the R.D.A.P. program. I am writing to let the Court know that I have done what I can to make sure that I can be allowed to enter the program. I am not sure if Judge McBryde is still serving. Please make sure that the current Judge gets this information.

Thank you for your time and effort in this matter.

Sincerely,

  
Oscar H. Dominguez

RE: ALIEN No. A034646648

October 04, 2022

Dear Mr. Witt,

I am writing to you today in hopes of being able to have you remove a detainer that has been placed against me.

I recently showed the J and C report I received from the United States District Court in Texas, to a "legal eagle" here and he pointed out that on the bottom of the first page, the Judge indicated that he would like for me to be in the Residential Drug Abuse treatment Program (R.D.A.P.) while I am in custody. Here at Sandstone, we have such a program.

After having that pointed out to me, I went to see my Case Manager, Mr. Gaede, who told me "it was RDAP's problem". I then went and saw Mrs. Warlick, the head psychologist, and she told me to send a cop-out to Ms. Lorenzen, in psychology, who heads the RDAP program. Ms. Lorenzen replied with in 11 days and wrote that I should watch the call-outs. I was placed on the call-out for Monday, October 03, 2022.

I saw Ms. Lorenzen that morning, and she discussed the benefits of programming. I am eligible to take the RDAP program except for the detainer that I.C.E. has against me. Can you please explain the steps I need to take so that the detainer against me may be removed and I may receive the benefits that the programming of RDAP can provide me.

I have been an alien resident since 1972, and entered the United States legally. I have never been in trouble with immigration. I have paid my taxes every year that I have worked at the same place for 32 years. My wife, children, and family all live in the United States.

If I can get the detainer removed, I can get the benefits of RDAP, and the First Step Act. If you need any more information, contact either myself or the prison.

Thank you for your time and effort in this matter.

Sincerely,

  
Oscar H. Dominguez
